

## Favorite Memories

In the middle of appointments and treatments, it's easy to lose sight of the moments that have shaped your heart.

This image shows a full page of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

This page is here to hold the memories that make you smile — the stories, people, and places that bring comfort, laughter, and light. Whether it's a family tradition, a silly moment with friends, or a day you felt truly alive, let this be a space to remember the joy that still lives inside you.
