

## Lessons Learned on This Journey

These words are for you, but they may also one day light the path for another Warrior.

Some lessons come softly. Others hit you like a wave. This blank page is for whatever wisdom has surfaced for you

This image shows a full page of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

You may want to reflect on:

- What this journey has taught you about your inner strength
- How your perspective on life or love has changed
- What you'll carry forward from this chapter - and what you'll leave behind
